Dick Thornett

## A Northern Star

In the Rugger game social clubs abound but few are better known than the North of the Harbour Briars' Kentwell Cup team in the Union sub-district competition.

And who is their 1975 coach?

None other than Dick Thornett!

Although Dick has not previously done any coaching he will bring to the Briars the benefit of a wealth of experience.

From 1958 to 1962 Dick played 60 first grade games with Randwick R.U.

In 1961 he played his first rep. game, and his first R.U. tests against Fiji, South Africa, and France, all in the one season.

In 1962 Dick played 5 tests against New Zealand both in Australia and N.Z.

In 1963 Dick changed from R.U. to R.L. and immediately played for Australia against Great Britain in 3 tests.

May all good Northsiders and particularly the Briars reflect on Dick's impressive record of 11 R.U. Internationals and 14 R.L. tests.

And, for good measure, Dick represented Australia at the Rome Olympics at Water Polo playing in three matches of the series.

As mine host of the North Star Hotel at North Sydney it would appear that the hostelry is most appropriately named.

ANOTHER TITLE  
TO TATTERSALL'S

### TALES OF EMPTY SAILS – AND CANS

The 1975 Bluebird Yacht State title now belongs to club member Andy (Hire-it) Kennard.

Supported by fellow member Jim Martin and crew, Andy skippered his 22-foot yacht, Ngaro 2, to victory on Sydney Harbour after a very mixed series of races.

The State Championships were conducted by the Middle Harbour Yacht Club from January 18 to 27.

The first race was abandoned due to a drifting mark and had to be resailed on Monday 27.

Another heat was abandoned due to the westerly gale that hit on Saturday January 25.

The resailed January 27 heat was subsequently abandoned after a protest against the Committee was upheld.

This meant that Andy and his crew having been declared provisional winners were relieved of the title pending a resail.

On the day scheduled for the resail, Sunday March 16, more frustrations were in store.

Due to start at 10.20 a.m. the deciding race eventually got underway at about 12.00 noon, after waiting for the breeze to get up.

In light, patchy weather Andy got his boat over for a good start.

Detecting a favourable shift in the wind just after the start, forward hand Jim set a spinnaker and at the first mark they had a narrow lead over main rival Skipjack.

At this mark the Committee decided the wind was not true and abandoned the race!

However, after a wait of some 45 minutes (and more cans) a new course was set and the boats set off yet another time to determine the State Champion.

This time the boys on Ngaro 2 were even more determined and came home the winners. This gave them a result of two firsts and a third against runner-up Skipjack with two seconds and a fourth.

### KEEN RIVALRY

This season the competition for the various trophies conducted on the Third Floor has been exceptionally keen.

The finishes of the contests are fought out with gallant and desperate efforts.

Said Charles Coppa, "They are like the dentist who married the manicurist — they're at it tooth and

nail!"

### GET WELL — BUT QUICK

## SPRINT RACING

Bill Fisher, Q.C., and Dr. Frank Starr are anxious to contact fellow Tattersall's Club members who now, or maybe will in the future, evince an interest in short distance sprint racing.

They say that the main impetus is coming from Quarter Horse Breeders and owners.

But both Bill and Frank emphasise that sprint racing, (e.g., RACING UNDER 800M) is for horses of all breeds.

They contend that the combination of thoroughbred and Quarter Horse blood produces the fastest horse in the world over a short distance.

And they emphasise that there is no competition with established racing authorities, A.J.C., S.T.C. or others, but they would appreciate recognition.

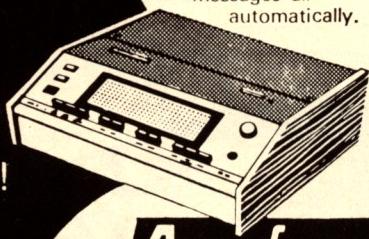

As both Frank and Bill stress, "We want to see horse racing increase in popular appeal in Australia. We want to work within the existing racing framework to attract new interest, not to be opposition".

# Billiards & Snooker

by A.V. Miller

## HAVE YOU ENTERED?

The time of year has again come when our sporting members are looking forward either to viewing or participating in the ever popular snooker and billiards events. Each year interest in the tourneys is developing in momentum and we have hopes that 1975 will surpass all previous successes.

There are many younger Club members who are quite capable of taking out the laurels in one of the handicap events.

Often business commitments prevent members from taking part, but snooker heats generally last approximately 40 minutes and can always be arranged between the hours of one and two o'clock, or other convenient times during the luncheon period.

Consider that the prizes are handsome and there is always the chance of winning the Calcutta held on the event.

Remember, too, that a good member always tries to put something back into the Club and this can be done by supporting the Committee in its efforts to ensure another pleasurable, successful and grand tournament.

We appeal to all sections of the Club for support, so how about it fellows?

## \* \* \* PROUD DAD

# DINING, WINING & SOCIAL

John and Maureen Foord sure managed things right, daughter Anne-Marie (13) and Katy (9), year in and year out, and we hope for many, many years to come, have their birthdays on the same day. Double presents, but oh what a party!

Bill, Bob and Vic Richards, with Reg Tanner, accompanied by their wives farewelled Diana Berrie en route England and Europe. The streamers were colorful and plentiful.

## SAYING OF THE MONTH

Nobody could have been more deserving than George Mousally to receive the platitudes of speaker after speaker at the Annual Presentation of Trophies to winners of Tattersall's Billiards and Snooker Tournaments.

In responding, George, in his always reticent and humble manner, thanked everybody.

All who saw the shot which eliminated George from the eventual final remembered the unexpected and most out of character stroke when he slashed at the black hovering over the pocket.

One of George's delicate touches would have guaranteed the black going into the pocket.

Instead, to everybody's amazement, George for some unprecedented reason, struck mightily and out the black went — not into the pocket but off the table.

We liked the way in which George in his speech at the function recalled the memorable shot at the black, and one which we are sure he would like to forget. He said:—

"EVERYBODY MUST HAVE THOUGHT THAT I WAS A RACIST"

# Tattersall's Championship results - O'Dea beats Harrison

## HANDBALL NOTES

The long awaited clash between Michael O'Dea (Champion) and Bill Harrison disappointed none of the fortunate gallery, with Michael winning 31-25.

This was not a long drawn out struggle with two contestants playing percentage handball to keep the ball in play in order to score from his opponent's errors.

This was not a game where the ball was hit with the utmost power, and where speed alone, and not direction, nor placement, were responsible for scoring points.

It was a game where one player directed play to his opponent's weakness, and the strength of play was nullified to such an extent that these two great players hit almost unbelievable shots in effort to score.

It was a memorable game in many ways.

Not the least of which were the ten unplayable services which took Bill completely by surprise and at various stages of play, when the champ desperately needed points.

Without them Bill would have won, for his general play had Michael defending endlessly.

This was grand final handball, handball played under pressure by champions with Bill proving that the champ's arrow can be pierced by dictating general play for ninety percent of the game with some of the most accurate placements seen at Tattersall's.

For Michael there was no respite until he had the ball to serve, on one occasion scoring three successive aces!

Michael's victory, 31-25, was definitely champagne handball — but later, on the second floor, it was beer for all.

## CHARLIE ROBINSON MEETS HIS MATCH

Another match, another classic between two opposite stylists — one a grimdest of the grim defender (and how he defended!), the other a hitter

by Peter Ashby

of thunderbolts.

• Charlie Robinson at last met his match, tilted against a windmill in the towering form of Norman Rogers who hit many shots that had Charlie nudging the umpire aside to get back deep enough to play a return.

Norm led throughout the game but such was 'Charlie's tenacity that after receiving a battering that Mahammed Ali traditionally hands out, he was still right in the game down only 24-26.

It was a match that had a breathless effect, there was always something different, with speed and direction constantly changing. There was dour defense, speed attack, deep corner shots, high balls that just landed inside the back line and the chance always that Norm's devastating winners might be called "out".

Some were, no one could ceaselessly control such power and speed, and many of Norm's volleys did hit the tin.

The final score, 31-26, followed some superb serving by Norm in the last few points, but Charlie deserved praise for playing a game that tested our ex-champ to such an extent.

The final, Michael O'Dea v Norman Rogers, is a promising clash.

## A GRADE

The first quarter final played in the A Grade Division was another success for Bill Sellen at the expense of Tony Roche, in a game which produced more angles than Euclid.

It was a real test for the referee who had to maintain a better watch on the sidelines than that renowned Scottish variety.

Both players proved hard hitters on the night ready to angle their shots to either forehand or backhand. The score was 31-25 and the game maintained interest to the finish.

An unexpected result was Bruce Upcroft's loss to John McInerney, who is improving with each game. John continued on his hard hitting

way with the difference that while he usually leads in his matches he was able to overcome trailing 7-13 in this one, winning 31-24.

It was a victory full of merit and he must be given a great chance of beating the favourites.

Last year's A Grade runner up and this year's favourite, Bob Callaghan, moved one step closer by accounting for that tough opponent Malcolm Fuller in a real cliffhanger.

The game lasted only 35 minutes but to the fortunate crowd it was timeless.

Both players used every shot in the game, deep corner shots, unbelievable returns, drop shots that must have missed the tin by a centimetre, deep lofted shots, that landed on the back line, continuous testing play down the centre line, each player unexpectedly turning defence into attack. It was a great match to watch.

The players changed at 5 all, then 10 all but at 17-13 it appeared as though Bob was taking control. He lost the next six successive points to give Malcolm the lead at the 21-19 change. The score then progressed point for point to 29 all, with Bob the eventual winner 31-29.

Bill Blakemore won his quarter final against Tony Bellanto 31-22. Bill's training programme coupled with innumerable double limes with soda, and a schedule of "play as often as possible", is paying off. Tony was expected to test the Novice Champion but the closest he managed was a deficit of two points. This gradual overhauling by Tony served as a steadier for Bill and from a lead of 21-19 he went on to a comfortable win.

Gordon Salier beat Max Sernack also by 31-22, with Max hitting some hard deep shots which Gordon did well to retrieve. Gordon's steadiness won the match.

Another successful quarter finalist,

*continued on Page 7.*

Arthur O'Connor, in a David and Goliath encounter, put paid to Bob Adam's hopes. Bob's unfortunate miss-hits helped Arthur to his 31-18 win.

Charlie Griffiths stepped closer to the final in accounting for Neville Amy by the surprising margin of 31-17. Both are experienced players and the result was expected to be much closer but last year's most improved player award winner showed why he won the trophy.

Charlie became the first known finalist in the club championships when he defeated Arthur O'Connor 31-18. Nearly level at 16-14 in Charlie's favour it became almost a procession to the end with Arthur making a valiant effort. The scores were by no means a true reflection of the interest in the game.

Charlie's opponent in the final will be Bill Blakemore who won the recent Michael O'Dea Novice Championship. Bill, in accounting for Gordon Salier, took an early lead and maintained pressure to the last point.

Although the margin was wide the handball was high class with Bill making very few mistakes. Gordon played many good shots in an exceptional effort to close the gap, but this unfortunately led him into errors and so made the task easier for Bill.

The final score was 31-11.

Both these players will prove worthy finalists.

## COOGEE WINS STATE DOUBLES

The 1975 NSW Doubles Championship was played at Bondi Baths before a large crowd which enjoyed the high standard of play and the ensuing festivities.

This competition was inaugurated in 1973 by Michael O'Dea, then Mayor of North Sydney.

In that year the contest took place on courts built at North Sydney Olympic swimming pool following action taken by the worthy Mayor who presented a shield to be played for annually in perpetuity.

Clovely won the title in that first event and repeated the win in 1974 at Clovely Court with Garry Stubbs being partnered by Bruce Galea.

This proved to be Coogee's year with an elated Wally Gray, Coogee's Club Captain, accepting the care of the shield for 1975.

Eight teams of top class players made up the field.

The star studded field included Charlie Robinson and Ken Glass from Tattersall's, Michael O'Dea and Ron Rogers representing North Sydney, Frank Frankowski and Jim Campbell of Coogee, and Reg Chappell and Frank Caldwell were the hopes of the host club, Bondi Icebergs.

The spectators included many notables in the sport and their ladies and friends who all enjoyed the handball, the barbequed lunch, the excellent jazz band, dancing and other club amenities.

Ray Hopkins, a Tattersall's Club handballer, partnered by Kevin Smith were defeated 31-22 in the first round by Michael O'Dea and Ron Rogers.

They went on to win their semi-final against the Clovely pair, Garry Stubbs and Bob Green, who were the favourites, in a long game that went into advantage play, 32-30.

This game was considered by most to have been the final, but a super fit Coogee duo were quietly disposing of their rivals in the Tattersall's two, Charlie Robinson and Ken Glass, and in the semi-final, Bondi Icebergs, 31-25.

In the final Frank and Jim proved to be the strongest combination of the day, beating Michael and Ron 31-16.

## REMINDER

Handballers and friends! Don't forget Thursday night, 29th May, the finals night for the Tattersall's Plate with smorgasbord and good fellowship to follow.

## PHIL GOLDMAN'S NSW BOWLS APPOINTMENT

Tattersall's Bowls Club can now green itself on the appointment of member Phil Goldman to an important post of the Royal NSW Bowling Association.

NSW delegates elected Phil as honorary solicitor, succeeding Mr. A. Baldwin who retired because of ill health.

State President Don Isaacs said "Philip Goldman is held in very high regard throughout the community and I have no doubt he will carry on the great tradition of service which has made the Association's previous honorary solicitors such an asset to the organisation".

In thanking the delegates for electing him Phil said that he had been connected with sporting bodies for more than 30 years and had served on their committees as legal advisor.

"I am happy to be allied with the wonderful members of the bowling community" said Phil "and I will do everything in my power to carry out a meaningful job."

And that's just what he will do. Congratulations, Phil!

## **Man of the Month:**

# **FRANK EDMONDS**

### **"Camyr Allyn"**

There is an exciting blend of the old and the new at Frank Edmonds's picturesque "Camyr Allyn" stud at East Gresford in the Hunter Valley.

The stud name is Welsh for "cottage on the Stream", the property enjoying a frontage of 2,400 metres on the Allyn River.

It is coincidental that the town's water supply comes off "Camyr Allyn", because the historic property means much more than a drink and a bath to Gresford.

It was settled on by Charles Boydell, when he was only 18, in 1826 and remained in his family until 1964.

The ruins of the old convict-built homestead are still on the 1,000 acres property which Frank has converted into a well-appointed stud.

He has come a long way in the racing and breeding industry since 1958 when he bought his first thoroughbred.

It was the useful racehorse Johnno who cost him only 700 guineas as a yearling.

Johnno won approximately \$36,000 in prize money, his successes including the Canterbury Park Cup and Scone Cup.

Frank, who also owns the "Lowland" agistment property at Richmond, has broodmares, a team of racehorses in training and two stallions.

The first stallion whom Frank used at stud is Lowland Prince, a well-performed son of Todman.

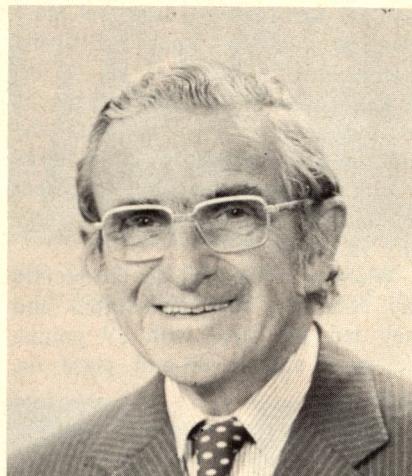

The second stallion is the highly-credentialled Bendemeer, the first son of Never Bend to stand in NSW.

Never Bend (Nasrullah Lalun) has proved himself a champion on the racecourse and at stud in the USA.

He raced only at two and three, winning 13 of his 23 starts and earning \$641.524 in prize money.

Frank has put five of his Todman mares to Bendemeer this season, one of them being the top race filly, Sandra Girl.

Which is a better start to a new venture than was enjoyed by Charles

Boydell when he moved on to "Camyr Allyn" in 1826.

After four years of hard toil, Boydell, then 22, made his first entry in a diary which today is a yellowed but highly interesting account of our early Colonial days.

Charles Boydell, in his first entry, wrote:

"Another year has gone by and left me for one, I fear, not much better in condition than it found me. With a choice of all professions, who by myself would have selected a settler's life?

"I have bartered the comforts and luxuries of home for either going between the plough handles, heaving the hoe, or some other delightful occupation.

"With about five acres of tobacco, 400 bushels of wheat, six acres of corn, 600 sheep, 70 or 80 cattle and two horses I begin this year encumbered with difficulties not very trifling — yet full of hope and confident of success".

Boydell started on "Camyr Allyn" with seven free fencers and seven assigned convicts.

Several entries in the Boydell diary suggest a reason why Charles prospered.

In an 1830 account of wages paid, it shows that two fencers tendered a bill for £49/12/0. The final accounting

shows that they were paid £8 in cash.

The rest was cross-debited for "provisions, clothing, cattle and slops".

Another worker, Andrew Long, was credited with £12/10/0 for six months work.

The old ledger shows that he received £5/8/0, a matter of £7/2/0 being docked for "goods".

The "good, old days?". We prefer the modern-day "Camyr Allyn".

Frank Edmonds was born in Melbourne on 14th November, 1907, and educated at Burwood (NSW) High School. He later studied at Sydney University and subsequently qualified as accountant and secretary.

Racing has been his main sport, but he has been a member of Concord Golf Club for 25 years, "though", says Frank "I could not be classed as a good golfer".

He has been a member of the A.J.C. for 25 years and is also a member of the S.T.C.

Frank was founder of the Pacific Acceptance Corp. Ltd. in 1950 and recently retired as managing director though retaining the position of chairman.

He passed the management over to two of his sons, Philip and John, who also are members of Tattersall's.

Philip, apart from being chairman of the fund raising project for the Admiral's Cup, is also a member of the crew of Mercedes IV, one of Australia's three representatives.

# Interstate bowls carnival great success

by Sol Green

On Sunday 16th March all roads led to Sydney for the Tenth Annual Carnival of the Australian Turf Bowlers which this year was hosted by City Tattersall's.

The 200 players and their wives, came from Newcastle Tattersall's, Perth Tattersall's, Tattersall's, Sydney, City Tattersall's, Sydney, Adelaide Democratic Club, Brisbane Tattersall's, Melbourne Tattersall's and Canberra Club.

In the evening all were welcomed at City Tattersall's by the President of the bowling club, Ron Young, and calories were forgotten when old friends enjoyed the excellent smorgasbord.

The Carnival was opened next morning by Hon. R.O. Healey, Minister for Health, at the South Coogee Club.

We were drawn against Adelaide in the opening game.

H. Abbott, J. Whyte, H. McKay, L. Malouf won 19/6.

J. Toft, G. Morrow, P. McGrath, J. Jordan won 10/5.

H. Jones, P. Madden, N. Solomon, J. McKell lost 12/15.

In the second game against Perth all our three teams won.

Our first reverse came in the third

game against Newcastle for although all won on two rinks we were beaten on aggregate.

So when play began on the second day at Kensington Club we were placed second with 13 points, Brisbane in front on 17 points.

Two games of 21 ends were played on the second day and with the addition of Harold Hill and Len Burke to the side we were able to defeat Melbourne, and also our old rivals City Tattersall's.

When play finished on the second day Brisbane were undefeated and they led the field with 29 points. We were still in second place on 22 points.

The final day was set down for Double Bay Club and we were drawn against the leaders, Brisbane, in the first game. Harold Hill with J. Jordan, P. Madden and P. McGrath won 33.8.

Len Burke with G. Morrow, N. Solomon and J. McKell led 17.5 and then went to seed and were beaten 21.17. L. Malouf with his original side suffered his first defeat in six games going down 20.22.

Although down on two rinks we took the major points for the game per medium of the aggregate and this

left us still trailing Brisbane 26-31.

Both teams were drawn against sides well down on the table for the last game.

Just to emphasise the glorious uncertainty of bowls both teams were beaten on two rinks, Len Burke's team being our only winning rink.

Final results: Brisbane 32, City Tattersall's 28½, Sydney Tattersall's 27.

However, this is the first time since its inception ten years ago that we have finished in the money and let us hope it augurs well for the future.

The Carnival was wound up at the Bowler's Club with an excellent dinner and show and presentation of the trophies.

Congratulations to Brisbane Tattersall's who won the Trophy for the second successive year, and to the host club, City Tattersall's, on their promotion of what was one of the most enjoyable and successful carnivals yet held.

The Carnival will be held in Canberra in 1976 and in Brisbane in 1977.

On Thursday 27th March (the day before Good Friday) we played at Double Bay. In view of the counter attractions a poor attendance was expected and a poor attendance it was. However, F. Hidden, W. Chamberlain, P. McGrath jostled with Fuzz Porter, H. Davis and K. Williams (all senior citizens). Down 18.5 Ken rallied his boys (?) — the result 21-21.

Len Burke has been in the news away from the Club. He skipped the team to win the Moore Park fours Championships.

He teamed with Lou Sackar and Don Jordan to win the triples championships at the same club, and with Lou reached the final of the pairs championship to be beaten in the final.

## "EVERGREEN" CHARLIE GRIFFITHS TAKES HOME MARCH POINT SCORE

by Sam Block

Continuing his run of success "perennial" Charlie Griffiths has risen to great heights by taking out his first Monthly Point Score.

Charlie had it home and hosed when Bill Hannan, his nearest rival was away interstate, winning by six points from Turner with Hannan and Ron Winch dead heating for third place, a further point away.

It's always good to give new members a pat on the back for their first win and this we do for Ron Winch, David Murray and Harry Turner, who have all been docked seconds for so doing.

We tipped it would not be long before Turner and Murray caught the judge's eye.

On the 18th March and 1st April, Harry succeeded in winning both 40 yard finals, whilst David won his event also on the 1st, both losing two seconds off their handicap — April fools.

The titanic struggle between Ian Joye and David Barnett for the Native Son Trophy has the pool habitues on their toes.

Joye leads Barnett by three points, bull dogging Nick Heath four away in third place, followed by Tony Salier, Doug Grice and Alec McLelland right on their heels, waiting to pounce for the final run home.

Wily banker Bruce Upcroft is tenaciously hanging on in the lead for the "Silver Sharpe" Trophy by half a win from Barnett and Grice, with Heath a further half win away, followed by David Dobbin, Ken Tickle, Tony Salier on five and half wins, whilst a further six competitors have also five wins to their credit.

Terry Forrest goes mighty close in point scores but just does not seem able to take one out — attendance at all four events is a great help, Terry.

Heard quite a discussion over who

has been in and won most heats and finals, so after a lot of hard work, plus packets of Bex aided by a few noggins of Haig (don't be vague) this is how it all worked out —

Barnett 14, Joye 14, McLelland 11½, Forrest 11, Heath 11, Grice 10½, Tony Salier 10½, Mortensen 9½, Reid 9½, Tickle 9½, Col Bowes 9, Comans 9, Hannan 9, Patterson 9, Richards 9, Robinson 9, David Dobbin 8½, Griffiths 8½, Moses 8, O'Dea 8, Norm Rogers 8, Ross-Jones 8, Heaton 7½, Orme 7½, and Upcroft 7½.

Russell Debney and Mike Frawley have been playing the "wag" — what's the idea!

New members welcomed during the month were Les Hams and Harry Turner.

Best winning performances and times were H. Turner 18.9, 19 & 19.6, D. Ferris 19.1, D. Murray 19.5, B. Mortensen 20.1 & 20.2, D. Barnett 20.2, T. Salier 20.2 & 20.5 and T. King 21.

On making the announcement that our popular Jim Comans had been elected Chairman of Tattersall's Club, the whole of the members on the Third Floor gave him a five minutes standing ovation. Congrats Jimmy!

Congratulations to Tony McSweeney on the success of Tivoli Prince at Randwick.

Take notice that the Family Events are to be held on 1st, 8th and 15th May next. The events comprise 80 and 40 yards brace relays, with fathers, sons, uncles, and relatives participating.

The trophies have been presented by that great racing identity Jack Mandel, father-in-law of Horace Abbott and grandfather of Adrian Abbott.
